WITH THE ACCEPTANCE OF THE GAME AGAINST S.C.HERTHA 03, THE REPRESENTATIVE PROGRAMME FOR THE SEASON BEGINS AND AT THIS STAGE IT LOOKS CERTAIN THAT NORTHERN N.S.W. WILL BE HERE IN THE MIDDLE OF OCTOBER AND QUEENSLAND AT THE END OF THE SAME MONTH. NORTHERN N.S.W. HAS ASKED THAT OUR STATE TEAM RETURN THE VISIT BY GOING TO THE NEWCASTLE AREA IN MARCH 1974 AND THAT THE VISITS BE PUT ON AN ANNUAL BASIS.

IN ADDITION TO ALL THIS, THE JUVENTUS CLUB, WHICH AT THE MOMENT HAS EIGHT MEMBERS IN THE REPRESENTATIVE SQUAD, IS NEGOTIATING A SHORT TOUR OF NEW ZEALAND AT THE END OF THE SEASON. THIS TRIP HAS BEEN TALKED OF FOR SOME YEARS BUT APPARENTLY COULD COME OFF THIS TIME.

FIRST THINGS FIRST HOWEVER, AND THAT IS THE HERTHA GAME WHICH WILL BE PLAYED AT NARRABUNDAH OVAL ON SATURDAY 21ST JULY. HERTHA ARE ON ANOTHER WORLD TRIP WHICH IS PART OF THE CLUB'S POLICY OF REWARDING ITS PLAYERS AND ALSO BROADENING THE EXPERIENCE OF ITS YOUNG PLAYERS. THE CLUB HAS AROUND 40 TEAMS AND EMPLOYS A LARGE COACHING STAFF.

THE LOCALS HAVE BEEN TRAINING QUITE HARD UNDER THE GUIDANCE OF ROD WEST AND THE SELECTORS HAVE REACHED THE STAGE WHEN THE ACTUAL PLAYING TEAM IS BEING SORTED OUT AND THERE HAVE BEEN A NUMBER OF CHANGES ALREADY.

A.C.T. SHOULD THROW OUT ENOUGH OF A CHALLENGE TO OUR GERMAN VISITORS TO MAKE A GAME OF IT AND THIS PROSPECT SHOULD ENSURE A GOOD CROWD AT THE FIXTURE ALTHOUGH IT HAS TO BE PLAYED ON A SATURDAY DUE TO THE HERTHA ITINERARY WHICH HAS A GAME UNDER LIGHTS IN MELBOURNE ON THE SUNDAY.

A LARGE NUMBER OF JUNIOR FIXTURES IS BEING DEFERRED AND JUNIOR GAMES WILL MAKE UP ALMOST ALL THE DAY'S PROGRAMME AT NARRABUNDAH AND ALTHOUGH THE GROUND IS NOT REALLY SUITABLE FOR SOCCER IT DOES PROVIDE A GOOD SURFACE AT THE MOMENT WHICH SHOULD MAKE THE FIRST REPRESENTATIVE GAME FOR 1973 A VERY ATTRACTIVE ONE AND WORTHY OF A GREAT ROLL UP OF GENUINE SOCCER FOLLOWERS.

Eric Van Der Vlist, popular reserves goalkeeper with Lyons, is recovering well from an operation in the Canberra Hospital for the removal of spleen after being injured a few weeks ago. The bump that did the damage went un-noticed and Eric completed the game. After examination at the hospital it was found that Eric also had glandular fever so he has had a rough trot. A good club man with the right outlook all supporters wish him a speedy and thorough recovery.

St. Johns Ambulance Brigade is prepared to visit your club to give lectures on First Aid to managers, coaches and interested people. The basics of first aid should be learnt by all and Bill Arnold is to press this point due to the almost complete lack of trained personnel around our games at all levels. For further details write to Mr. L. Davies, Superintendent St. Johns Ambulance Brigade, 7 Drummond Row, Yarralumla A.C.T.

The under 11 rep team to play Shoalhaven at 11.30 a.m. on Sunday 1st July at Phillip District has been selected and is as follows :-

Michael Van Limbeek (Goal) John Gibson, Craig Feebrey (Backs) Gary White, John Moutsopoulos, Andrew Moutsopolous (Half backs) David Purchas, Alex Fairbairn, David Salmon, Franki Schroedl, Michael Connor (Forwards) with Reserves Mark Slater, Joe Scanlon, Terry Ridley.

These youngsters will play a return against Shoalhaven on the coast on Sunday 15th July travelling by Canberra Coaches 49 seater and it is understood that there is room for a few adult supporters on the bus.

Stuart Butterworth, long standing member of the A.N.U. club has resigned as Secretary of that club although he is still playing and will no doubt will be around for advice. The club has forwarded a letter to Stuart expressing the gratitude of the Club members for the hard work he has put into the development of the club over the past 5 years. The Federation and Amateur Associations are also indebted to Stuart for his solid work.

South United now playing in its fourth season has six teams going this year and the Under 8s coached by Geoff Jurd and managed by John Hyslop was at the top of the six team competition at the end of the first round. Souths are looking into the possibility of keeping the boys together in the summer months by playing cricket or baseball as a club.

The club is running a charity stall at the Fyshwick market on Tuesday 9th August so if you have anything you can donate such as books, old clothes, handicrafts please contact Mrs. Ross of the Ladies Committee 956517.

Turner Eagles are angling for a return game against the Under 16 Rep side with their reserve side as the ACT reps. are the only team to defeat the Eagles this season and in fact the 5 goals the reps put past Turners goalie are the only real shots recorded against them. Their Federation goals have all been the dreaded "own goals" and only total three anyway.

There will be an Indonesian Team in Sydney prior to Ampol Cup matches next season and word is that they may be available for country matches....

# Weekend

Things are really warming up in the Federation Cup series now that the first division clubs are entering the fray.

The "magic" of knockout competition the world over is the hope that we have another "Sunderland" in our midst or perhaps there is an Ian Porterfield around to slam in that single goal that sometimes takes the honours ?

Due to power problems it was not possible to stage the Belconnen v South City fixture on Tuesday night and Olympic will have to wait a bit longer to see who their opponent will be.

Monaro Park will have South City and Belconnen as the early match on Sunday with Queanbeyan and Monaro completing a local "derby". South City go into their postponed match very confident after getting away with a draw with 10 men in the first round. This Queanbeyan club has consolidated its playing strength and is particularly keen to get through to the next round of the Federation Cup against Olympic.

Belconnen had a chance to clinch a win but missed a penalty in the dying moments. Belconnen too, is out to emphasise its claim for a second Division place next season. It will be a hard close struggle with South City probably finishing just in front.

A match Queanbeyan City has been looking forward to for almost a year is the late game against Monaro. Mice Josifoski and Laurie Palec are two players added to the A.C.T. squad who have the ability to turn on blinders when in the mood and judging on Monaro's poor finishing in recent weeks, Palec is going to appear a real giant between the sticks on Sunday. Queanbeyan has the disadvantage of the slower games in 2nd Division but has been gradually lifting their game in recent weeks so that Monaro will have to produce one of their better games to win through. Andrua Zakoski leads a particularly tricky set of forwards and Stuart Devlin and Jim Todorovski look set for a busy afternoon. A good crowd is anticipated for this game and it will no doubt supply good entertainment.

At Manuka Oval, A.N.U. appears a trifle unlucky to have drawn the Croatia-DEakin powerhouse side and will not have enough all round skill to get through. Nigel Ellis has been going well for the students but it is hard to see the Croatia-Deakin defence being unduly worried. However, the style of the two teams will turn on a very fast moving game with the more straight forward tactics of A.N.U. having to cope with the dominance in midfield of Vlado Horvath, Jim Sangster and Ivan Gruicic. All does not appear well with Nado Spaleta who has not yet returned to his early season form. Apparently he is not interested in playing with the rep. team as he has been missing from training. This, a good game to watch, with the Deakin boys getting on to the next round.

The second game at Manuka will see Juventus opposed to Jamison and a comfortable win to the Black and Whites should be the result but in Cup games complacency can be a dangerous foe and if there is any attempt to take the Jamison side easy then it could be reasonably close. The Jamison boys are anxious to do well as their first season in Federation football has been a bit disjointed and really they have not shown their best form of -ten. Injuries to key players have not helped but one would have to tip Juventus to win with a couple of goals in hand due to expertise particularly in attack where the likes of Walter Valeri and Arthur Smith are showing plenty of penetration.

# Matches

At O'Connor, Pat O'Flaherty's Golden Bears, go in against the improving Forrest team and would be very lucky to get a win as the Red and Whites are showing that they have moulded a competent first division team with Ian Cuming showing a welcome return to form and leading the forwards to good effect. Last week against Olympic, Forrest ran out of gas with twenty minutes to go and saw a 3-0 lead whittled away to 3-2 but due to some fine goalkeeping by Peter Lockwood once again, they held on. It is very doubtful that the Goulburn boys will be able to last as long as Forrest and for this reason Forrest should emerge as the victor but if Goulburn Workers have injured players back then it will be a fairly even game. The Goulburn style with captain coach Fred Beddow showing the way is very popular in Canberra and a good spectacle is certain.

The other game at O'Connor sees Turner Eagles opposed to Weston, a surprise winner over Woden last round, and on form Turner has only to keep up its recent improved attacking form to finish well in front. The defence of the Eagles has held all Federation teams with Jo Magro and Kevin Caruana doing first class work against Juventus. Derek Lindh has led the team astutely and with Charlie Jurkiewicz blossoming in confidence the attack has looked a lot brighter and the continued improvement of Bruno De Ponte augurs well for the future. If Turner approach this game with the same determination as has been evident against top Federation teams like Juventus and Croatia-Deakin it should win well but if it 'Takes it easy' then the enthusiastic Weston side could well cause a great deal of worry. With the right approach Turner to win well.

Hughes unfortunately has several players unavailable for personal reasons and so the clash with Lyons loses quite a deal and the speedy Red and Blues are expected to have no trouble at Deakin Oval. Hughes had some good games earlier on but do not appear to be the power anticipated. Lyons on the other hand has shown itself to be a side definitely going places and headed for higher honours in a season or two. Noticed from the reports of Public Service games that consistent defender Juan Calzada is popping goals in for the Printing Office during the week so maybe he will have a crack against Hughes but he will have to shoulder John Davies and Jo Exposito out of the way to do it. Young Roses will be another forward for Hughes to watch and of course Ray Chadwick is always around. Can't see any hope for Hughes in this one.

The early game at Phillip will be a very interesting tussle between the top team in the Amateur Division at the moment, C.A.E. and the bottom side in First Division, Phillip United, the Gunners. If ever the Gunners needed some fire power it will be on Sunday as they have shown little in attack since the departure of Hugo Carr-Pollock to Olympic. Youngsters Aitken and Fisher have given some very good displays and noticed that Gaston Oldigs is back in goal. However it is up front that Phillip might be found wanting as Jim McDonald has a well balanced tough team around him and they don't give much away. If there is to be an upset on Sunday this week, this would have to be the game to look at first and it would be no surprise to see it go to extra time and if this happens then Phillip should run out winners.

# LETTERS TO THE EDITOR

Dear Editor,

If I may be permitted to kick the ball around just a little from Sydney, may I buy into your argument about Nationalistic names for clubs and junior players?

The Manly Warringah Soccer Association has been going for 26 years now and it has always been firm policy of the Association's Executive to encourage junior soccer talent with the ultimate aim of having the really good players, join the junior reps. teams, progress to the inter-district and finally become a member of the Manly-Warringah grade teams.

This policy was adhered to up to the 1970 season when clubs were admitted to the Association, having only one team or possibly two teams. Since these teams were admitted there has been constant friction between them and the Association..... non-attention to fixing nets and marking grounds on fields allocated to them, repeatedly being sent off for foul play, etc. In fact one team consisting entirely of Croatians, has been expelled for its behaviour.

The point I intend to make is this. In each case, where friction has happened between the clubs and the Association, it has been a case where the club concerned, HAD NO JUNIOR MEMBERS.

My Association intends to rectify this situation next season when all clubs must register at least three junior teams before a senior team can be affiliated. All clubs must play under a district name and not a nationalistic name.. One might ask, what's in a name ? One hell of a lot of trouble- if you get enough of them together. Bring in the juniors and sense will prevail once more.

Signed. Don Balmain

# ACTASA

Belconnen ended Weston's run of four games without defeat, when they beat them 3-2 at Narrabundah and the League title now seems to rest between two clubs, C.A.E. and Belconnen. C.A.E. continued their run of six wins by annihilating Hughes to the tune of 8-1. During this game C.A.E.'s ace goalie Roger Hewitt was taken off injured. A rather lethargic R.M.C. defeated a completely luckless North Canberra 2-1 and CYC moved into third place by forcing a draw 2-2 with A.N.U. The battle for the third spot is affected by a deferred game between R.M.C. and Weston to be played on 15th July. The other three sides are well strung out and will be looking for a boost in the Amateur Cup matches at the weekend.

In the Reserves C.A.E. are firmly entrenched at the top and although surprisingly held 2-2 by Hughes are four points clear.

A neck and neck struggle goes on in the 2nd Division between Salvation Army and Phillip where Salvation Army blasted C.A.E. to the tune of 14-0. Chris Carder, currently leading the Public Service competition's goalscorers had a great afternoon, racking up 5 while brothers David and Ronald MacDonald each scored a hat-trick. The other three goals were scored by Mark Clayton, Peter MacDonald, and Mike Fisher. Phillip did better than against Kris and defeated R.M.C. 4-1 with Harry Kroon managing only one on this occasion.

The big match between Belconnen and Weston could well have finished in a draw after Weston had surprised by holding the highly rated Belconnen forwards in the first half. Federation players John Davies and Alan Woods were not allowed to get going. Stalwart consistent centre back Terry Higgins and Aussie Rules player Peter Harrington were prominent in defence for Weston. Weston did in fact open the scoring when Gary Condie headed home a corner after 20 minutes and it took a deflection from the far post by Robbie Woods rolling in to bring up the equaliser. In the second half Belconnen took control of the midfield and when Woods found the net again it looked to be safe for Belconnen but Boza Bobanovic brought the scores level again. This put new life into the Weston side but their forwards could not penetrate the solid Belconnen defence and after a defensive lapse by Weston from a high ball Belconnen took a gift goal. A well played match in the conditions and probably the result was a true reflection of the game.

# PUBLIC SERVICE SOCCER

The week ending the 22nd June saw the last unbeaten record bite the dust when Tariff Board put up a very fine performance in beating Public Service Board 1-0. For the first ten minutes or so Tariff Board took the game to their more fancied opponents and, in doing so, looked to be the better side. Gradually though, P.S.B. began to come into the game and by half - time with no score to either side, had control of the match. The clearest chance so far had fallen to P.S.B.'s Chris Carder. The competition's leading goalscorer broke clear through a good pass from Dave Harding, but, with the goalkeeper completely beaten, saw his fierce drive rebound to safety from the crossbar.

After half-time it became clear that the Tariff Board had decided to settle for a draw since their mid-field players, Barry Patterson and Nico Klijn, had fallen back to re-inforce their defence. As a consequence P.S.B. began to exert a great deal of pressure and centre back Nigel Ellis moved forward to support the attack. This tactic, however, allowed Tariff Board to make quick breakaway attacks and it was from one of these that Alan Mayne coolly scored the only goal of the match. From this point onwards, as P.S.B. threw more players forward in an attempt to equalise, Tariff Board breaks became more frequent and A.C.T. Aussie Rules player Ralph Rendell was forced to make several good saves in P.S.B.'s goal. In an out of touch P.S.B. side, left back, Damian Wallace and outside right Howard Francis played good games, while the Tariff Board's key men were defenders Bob Warner, Roger Walker and Laurie Wiggins.

Navy's tactics set the pattern of play in their goalless draw against Census and Statistics. For some reason they set out to force a draw from the very start by playing star forward Bob Mee in goal and also switching Tony Pengelly and Bernie Millett from the forwards to re-inforce the defence. By packing their defence, Navy allowed Stats to control the game. This Stats did with some very pretty midfield play but this was not matched by the forwards. Time and again shooting opportunities were created but all bar one or two were put wide of the goal. Bob Mee was called upon only once to make a difficult save and that was from a fine swinging corner from Peter Horne. So Navy emerged with a well engineered point, while Stats can take consolation in an improved performance by their defence in which Dave Barker and Sid Lopez were outstanding.

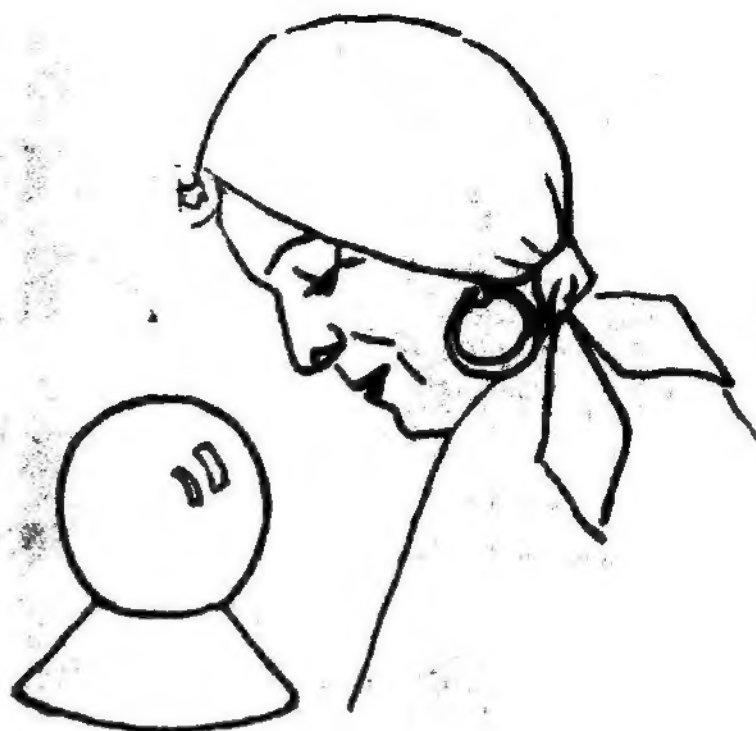

Australian Government Publishing Service ( Formerly playing under the name of the Government Printing Office) gave out a warning to the leading teams with a 8-0 thrashing of Trade and Industry. A weakened Trade team could not match the superior teamwork and individual skills of a very good A.G.P.S. side and their defence just crumbled under the 40 minute onslaught. The scorers for A.G.P.S. were Ray Huggins (2), Terry McLoughlin (2) Juan Calzada (2) Wayne Callaghan and Chris Martinoski.

This week N.C.D.C. finally broke their duck with 2 wins, 2-0 against Minerals and Energy and 2-1 against Immigration. In their bottom of the table clash with Minerals and Energy, they turned in a commanding performance and the result was never in doubt despite having to wait for the goals until the final minutes. In his first game for 5 years, Michael Kerry scored both goals. The first came when he ran on to a cross from the left to deftly tuck it into the goal and the second from a shot from the edge of the penalty area after playing a one-two with Malcolm Smith. For N.C.D.C. forward Bill Murray and defender Geoff Rossley, both played well while Alan Timmos played for most of the match not knowing he had a broken nose. For Minerals, new recruit Bill Kirwan had an impressive debut while Mike Piper thrived on his move to sweeper.
